CAPE ANN CHAMBER OF COMMERCE
Serving Essex, Gloucester, Manchester-by-the-Sea, and Rockport
Dear Chamber Members and Friends:

On behalf of the Cape Ann Chamber of Commerce, we want to thank everyone who has helped to organize our 29th Annual Auction. Approximately $100,000 worth of beautiful art, exciting trips, fun merchandise and great services will be auctioned off this evening and in an on-line auction to be held in the Fall. We would not have been able to reach this lofty goal without the generous donations of our members and friends, and the hard work of the Auction Committee.

The auction is the most important fundraiser for the Chamber, providing critical support for ongoing services and for the continued improvement and expansion of our programs. The Chamber’s growth has enabled us to better serve the needs of our membership base in all four Cape Ann communities of Essex, Gloucester, Manchester-by-the-Sea and Rockport.

We hope you enjoy yourself tonight. Take advantage of this opportunity to buy a birthday or holiday gift, pick up an employee recognition or a business service award, or simply treat yourself to items that appeal to you!

Thank you for your support.

Sincerely,

Ken Riehl
CEO, Cape Ann Chamber of Commerce

DEDICATION

We would like to dedicate the 29th Annual Auction to a dear friend, long time Chamber member, community activist and Auction volunteer – Rudy Macchi.

The Chamber and the entire Cape Ann community lost a very good friend when Rudy Macchi passed away earlier this year. Rudy was a true and lasting friend of the Cape Ann Chamber of Commerce, serving as Board President in 1992. He remained an active and enthusiastic Chamber volunteer every year since, highlighted by his key roles for the scholarship committee, the business/education collaborative and the annual Chamber Auction.

Rudy was there at every Auction, in “Rudy’s Room”, receiving and organizing the live auction items as the bidding proceeded. He always stayed through to the end, to match every winning bidder with his or her items cheerfully and efficiently.

Rudy Macchi also gave exemplary service to the wider Cape Ann community as a business and civic leader. Throughout his many successful years as co-owner of Mahony Insurance, he was a model of civic engagement and was recognized for his service by being selected as Gloucester’s Small Business Person of the Year in 1997. He was an active and engaged member of Rotary International, serving a term as President of the Gloucester Rotary Club (1983-84), and was also a strong supporter of the Cape Ann YMCA, the American Red Cross and Holy Family Parish.

In addition to the Auction, one of Rudy’s favorite roles in recent years was to serve as Cape Ann’s Santa and help ring in the holiday season. Whether he was waving to the waiting crowds from the bow of the lobster boat Freemantle Doctor as he arrived in Rockport Harbor, or greeting parade-goers from the back of a fire truck during Gloucester’s Santa Parade, Rudy delighted in bringing smiles to the faces of children and their parents at that joyous time of year.

We miss you, Rudy. Thank you for the joy and laughter you gave us. You were a true Cape Ann treasure.

The Heads & Tails Game!
$400 value in prizes!

Playing the Game

1. You must purchase Beads in order to be eligible to play. Beads are sold for $10 a strand, 5 strands maximum per player (giving you 5 chances to play), and will be sold up until the Live Auction starts (~7:00pm).

2. To start the game, Uncle T will ask all the participants to stand up.

3. He then announces: “Place your hand on your head (heads) or on your bottom (tails).” Every participant chooses by placing their hand on their head or tail.

4. Uncle T flips a coin. If it lands on heads, then all those with their hands on their heads remain standing. Those with their hands on their tails sit down. Vice versa if the coin lands on tails.

5. If you have purchased more than one set of beads, take one off and remain standing. Continue this until you have used up all of your purchased beads.

6. Uncle T announces again, “Choose heads or tails,” and the remaining participants again choose.

7. Uncle T flips the coin again. Those who chose incorrectly sit down.

8. This continues until one person remains standing. That person is the winner!
