Dear friends,

As you may be aware, Hammond Castle Museum is one of the non-profit establishments across the country that has been effected by the COVID-19 pandemic. The Museum has faced many challenges over its storied history, and this moment is no exception. Right now, the Museum team is working to ensure the health and safety of our staff, future guests, and community members. We are also developing creative ways to ensure that our historic property can continue welcoming guests for years to come.

In the spirit of working together in this challenging time, we are offering a promotion which is a genuine win-win. For a limited time, we're offering an additional \$5 bonus gift certificate with every purchase of a \$25 gift certificate and an additional \$10 bonus gift certificate with every purchase of a \$50 gift certificate.

**By supporting our business with your gift certificate purchase, you are helping us continue our stewardship of this historical property and allowing us to prepare for our reopening as soon as it is safe and healthy to do so.**

**After careful consideration, we have postponed the opening of Hammond Castle Museum until the first of June. The situation surrounding COVID-19 is constantly evolving and we will reevaluate when to open on a week-to-week basis. We are greatly looking forward to the day that we will once again open our doors to our wonderful guests.**

**Knowing all businesses in all communities are impacted by this world event, we are thinking of all of you in your homes, with your families, and wishing you safety and good health. We look forward to seeing you soon.**

**Thank you for your loyalty!**

Sincerely,

Linda Harvey
